

ALEXANDER MARTINEZ

Computer Science Engineer

alexmrtnz902@gmail.com • +504 9540-5097 • Tegucigalpa, HN • github.com/AM98-20

Summary

Software engineer with a proven ability to adapt in both entrepreneurial and collaborative environments while staying focused on achieving high-quality results under strict deadlines. This approach based on quality and results led me to collaborate with the sales manager of El Carmen Hardware store to create a digital marketing campaign that improved sales in a single month. Eager to obtain a challenging position in a prestigious company that will expand my learning and develop my skills as a developer.
